

Section 10.17: Severe Weather

In the event that thunderstorm or tornado activity is active in Brazos County, the following procedures will be used. When a bad weather watch or warning is issued, all on-duty staff, including Standby medics, will be notified.

Texas A&M EMS does not go out of service unless there is imminent danger to the dispatcher or crew. If the station must be evacuated, follow *Section 10.1: Fire Alarm/Bomb Threats at the Health Center*.
