

Section 9.5: College Station Fire Department

College Station Fire Department (CSFD) is responsible for all fire, HAZMAT, EMS, and Police operations within the city of College Station, and for all fire incidents on the Texas A&M campus that are within College Station city limits. Texas A&M EMS and CSFD have a mutual aid agreement, where one agency's units can respond to a call in the event the other agency has no available units.

CSFD serves as the primary HAZMAT team for the county, if an incident were to occur. During football game operations, CSFD provides an ambulance and a medical gator to assist Texas A&M EMS, as well as an engine, fire gator, and battalion chief for operations on and around Kyle Field.

CSFD Dispatch Number: (979) 764-3600
